

WISCONSIN **DECA** Judging for Wisconsin DECA Competitive Events

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management. Effective marketing education gives young people the tools and aptitudes they need to live, learn and lead. DECA strives to provide its members with opportunities to develop those skills through its competitive events program that comes to life with you as a judge. Being a judge allows you to see the skills our students demonstrate in a competitive situation.

Each January Wisconsin DECA District Conferences are held throughout the state of Wisconsin. DECA members/students have the opportunity to apply their marketing knowledge in a competitive situation. They compete in either individual or team events consisting of two role-plays. Local business and community leaders are needed as volunteers to judge the role-plays. Judge training is provided prior to the events.

To volunteer/register as a District judge in January 2018 click [here](#). Wisconsin DECA chapter, or judging coordinators contact information can also be found at the registration link.

Those students excelling at the District level have the opportunity to compete at the state level. We would like you to consider judging one or both days of the State Career Development Conference (SCDC) held in Lake Geneva, WI on March 6 & 7, 2017 at the Grand Geneva Hotel & Resort. Follow this link for more information and/or to register to judge: <http://www.decaregistration.com/judges/wi/>

State Career Development Conference Champions will have the opportunity to compete at the international level in Atlanta, GA, April 21 - 24, 2018. For more information on the International Career Development Conference click [here](#).
